

Pvt. William D. Revell

Marine Pvt. William D. Revell, son of Mrs. Florence Revell of Rte. 5, Antioch, was graduated from recruit training at the Marine Corps Recruit Depot, San Diego.

He is a 1968 graduate of Antioch High School.

Antioch Artist Is Dead

One of Antioch's most prominent residents died Thursday, Jan. 28, in Victory Memorial Hospital, Waukegan, after she suffered a stroke Jan. 11.

She was Mrs. Jacqueline A. Horton, 49, of 789 Main St., an artist and historian of Antioch history and of the Southwest part of the United States.

She was a member of the Antioch Historical Society, the Antioch P.T.A., and had been a member of the Art Guild.

Some of her paintings, exhibited throughout the Midwest, can be seen in some of the business places in Antioch. One hangs on the wall of the Antioch News building on Victoria Street.

Born Sept. 18, 1921, she moved to Antioch in 1940. She married John V. Horton Nov. 20, 1943, in Medford, Ore.

Mrs. Horton was preceded in death by her mother, Mrs. Anna Miller on June 4, 1967.

She is survived by her husband, John; a daughter, June of Antioch; two sons, John D. Horton of Dwight, Ill., and Jay of Antioch; her father, John P. Miller of Antioch; two sisters, Mrs. Ted C. (Joan) Larsen of Antioch, and Mrs. John J. (Lorraine) Smith of Honolulu, Oahu, Hawaii, and a grandchild.

Funeral services were held Monday in the Millburn Congregational Church, with the Rev. L. H. Messersmith officiating. Burial was in Hillside Cemetery, Antioch.

Friends may make contributions in Mrs. Horton's behalf to the Antioch Township Library or the Antioch Rescue Squad.

Honor Roll Announced For Emmons

Emmons Grade School has announced its honor roll for the second nine week grading period.

Fifth grade—John Eder, Debra Layton, Daniel O'Brien, Darren O'Brien, Tracey Sodman, and Mike Volling.

Sixth grade—Toni Belcher, Lori Bolton, James Christiansen, John Kakacek, Julie Kramer, and Jerry Schmidt.

Seventh grade—Dawn Chinn, Terry Corey, Robert Dubek, Kim Fischer, Kathy Haase, and David Lagerstrom.

Eighth grade—Robert Dodd, David Edwards, James January, and Dennis Thain.

In order to be on the honor roll, a student must have at least two A's and two B's or 3 A's and one C, in the four academic subjects. In character traits, no grade of unsatisfactory will be allowed for the honor roll.

CLC Will Elect Three Trustees At Election

The board of trustees of the College of Lake County, announced that the annual election for trustees has been scheduled for Saturday, April 10, 1971.

Three members are to be elected to a full three-year term each, one member to be elected from the unincorporated area of the district.

A nominating petition for each candidate seeking membership on the Board of Trustees must be filed at the college offices before

\$5 Million Apartment Project Is Defeated

A proposed \$5 million planned development complex failed to materialize the support to override the denial recommendation of the Zoning Board of Appeals at Monday night's session of the Antioch Village Board.

A full house was on hand for the board's decision in the proposal which called for the construction of 12 apartment buildings over a six year period on 23 acres of land owned by Homer La Plant on the south side of Rte. 173 between Lyons and Ryan Ford property and the Soo Line Railroad.

La Plant and his wife, Frances, and Richey V. Graham, Jr., the developer, had requested reclassification from a M-1 manufacturing district limited, to a permitted special use on the acreage.

The Zoning Board of Appeals which had considered the proposal twice, the second time at the request of the trustees, was firm that the land stay industrial.

The board held that the 23 acres are prime industrial that is located on a railroad right-of-way and near four major highways.

Before the vote, Graham spoke, telling the trustees that he was not a stranger to Antioch since his father had settled in Antioch Township in 1928.

"What we propose in this project is something good," Graham said. "It will benefit the merchants in increased retail sales and provide the village with sales tax revenues and real estate taxes."

He pointed out there were no objections to the proposed development when it was presented to the Zoning Board of Appeals last month.

"When I learned there was objection to the project, I was astounded," he declared.

He pointed out that apartments would be constructed over a period of six years, with the first four buildings to be built during 1971.

He said 84% of the 23 acres are inundated, but this land would be

Serving as members of the ski patrol at Wilmot Mountain are left to right Angela Maras, Delores Abderholden, Marge Warner, and Fran Walpole. (Story on inside pages)

12 From Antioch Volunteer For Wilmot Mt. Ski Patrol

In recent years, to keep pace with the rapid growth of skiing, the National Ski Patrol System has been training new members.

As a result, training methods have become more formal in an effort to provide the skiing public and ski management with better skilled and more qualified ski patrolmen.

Last year, phase one of the National Ski Patrol Training started at Wilmot Mountain. This was a formal training program headed by Senior Patrolman, Lloyd Atwell and assisted by Jim Nevin and Jerry Zeller.

Forty-five men, women and juniors participated in the rigorous training. Before being accepted in this 10 week training

program, the candidate must hold a current American Red Cross First Aid Advanced Card. After a basic National Ski Patrol First Aid test is passed, only then is a candidate allowed to proceed to the Toboggan handling and Ski Proficiency Training.

These candidates trained every Wednesday night for 10 weeks. The first hour and a half on the hills was spent learning how to transport the empty toboggan up the hill and then how to transport their victim safely down any hill at Wilmot. The next hour was spent in a ski class conducted by dedicated instructors who volunteer their free time to see that these candidates perfect their skiing. A patrolman must be

able to ski the most advanced slope in a strong, competent manner as well as be able to handle all terrain under all snow and weather conditions.

The last half hour was spent building up the candidates' endurance by climbing the front hill once progressing up to three climbs by the end of the 10 week session. A patrolman must be in good physical condition as he is assigned an 8 hour duty day and must be out on the hills on his assigned day in all types of weather.

There are 20,000 conscientious Ski Patrolmen in the nation. These people have contributed significant portions of their lives and energies to the sport of skiing that it may be safer and more enjoyable for you, the skiing public.

The Wilmot Ski Patrol was organized in 1938 with Walter Stopa being one of the first to be on the patrol.

An official Wilmot Ski Patrol was formed in 1965 by Bob Revenagh, Ed Morrison, and Jack Abbott.

It is a non-profit organization and is strictly voluntary. Revenagh, National Ski Patrol director at Wilmot Mountain commends the dedicated people

Chamber Will Meet Wednesday

A general membership business meeting at the Antioch Chamber of Commerce will be held at 7:30 p.m. at Frostee Foam, 181 Ida St.

The directors have scheduled the meeting in order to get ideas from its membership to establish goals for the organization in the current year.

The directors want to know what you think the chamber can do for you, and your community and in what order of priority. Coffee will be served at the meeting.

Trustees Approve Three Tag Days

Antioch trustees Monday night approved three tag days to be conducted on public streets.

The Lake County Easter Seal Society was authorized to hold its lily tag day on April 9; Antioch Grade School to hold its tag day July 3 for the band, and Doughnut Day June 11, sponsored by the Salvation Army.

(Continued on page two)

Antioch VIP—'Bill' Brook

On March 20, 1971 St. Peter's Church will honor William E. Brook, president of the State Bank of Antioch, at the annual V.I.P. dinner dance.

This is the third year that a member of the Antioch community has been selected by St. Peter's Church in recognition of outstanding achievements in community service.

The V.I.P. dinner dance will be held at St. Peter's Social Center and will benefit St. Peter's School. All residents of the Antioch area are cordially invited to attend.

Brook is a native of Antioch, graduating from both the grade school and the high school. He went on to Beloit College where upon graduation in 1937, he joined his father at the State Bank of Antioch.

Other than during his tour of duty with the Army Infantry in World War II, he has had an un-

Bill Brook

interrupted career of serving the financial needs of Antioch through his affiliation with the State Bank. He has been twice president of the Lake County Banking Federation and has served on several committees for the Illinois Bankers Association.

Brook and his wife, Janet, have been very active in community civic groups. Mrs. Brook is past president of the Antioch Woman's Club and is a board member of the Lake County Cancer Society.

They live in Sunset Ridge Subdivision on Antioch Lake with

(Continued on page three)

Antioch PTA Plans Fence Installation

The Antioch Grade School P.T.A. plans to install a fence along the south side of the playground abutting Depot Street, as a safety feature for children attending the school.

To raise money for this project a spaghetti dinner is being held at the school Saturday, Feb. 13, from 5 until 7:30 p.m.

Grade School students will be selling tickets, \$1.50 for adults and high school students and 75 cents for kindergarten and grade school students.

Pre-school children are free. Tickets will be sold by students and will also be sold at the door. An added attraction will be a bake sale.

Toft Proclaims USO Day In Village

Village Mayor Raymond P. Toft has proclaimed Thursday as USO Day in Antioch.

The organization is marking its 30th anniversary of service to our military men and women throughout the world.

Ipsen Receives Trail Blazer Award

Leylon Ipsen of Loon Lake, Antioch, has been awarded the coveted Trail Blazer Award at the Scouts' Annual Recognition Dinner held at the United Methodist Church of Antioch.

More than 130 adult Boy Scout leaders and their wives attended the event.

The dinner was prepared by the Alice and Martha Circles of the United Methodist Church of Antioch.

Heart Fund Drive Chairmen Named

Appointment of Mrs. W. C. Petty and William E. Brook, president of the State Bank of Antioch, as co-chairmen and Dr. James W. Kopriva as physician co-chairman of the 1971 Heart Fund Campaign in Antioch Township was announced here today by Jerome H. Lorber, chairman of the Lake County Heart Fund Committee.

The campaign will be conducted here, and in more than 8500 other American communities, throughout February. The co-chairmen will be assisted by Preston J. Reckers, vice president of the State Bank of Antioch, as treasurer.

Antioch Township has a goal of \$2,000.00 as its contribution to the fight against diseases of the heart and blood vessels as announced by Co-chairman Mrs. W. C. Petty and William Brook.

The campaign will be conducted

entirely by mail again this year with no door to door solicitation.

The performance record of the Heart Association in the fight against heart and blood vessel disease has established it as being worthy of our community's fullest support.

The facts speak for themselves. Since the onset of massive heart research programs in 1950, following the first Heart Fund Campaign in 1949, there has been a decline of about 20 per cent in the cardiovascular death rate for Americans under 65.

The improved mortality picture grows chiefly out of a dramatic reduction in the death rate from stroke. It is an overall improvement. In heart attack, the number one killer of our time, the improvement has been only about 2 per cent since 1950.

ard O. Burnette. George W. Bartlett is on the ticket for the two year term.

Independent candidates are Mrs. Margaret Nelson of 575 Drom Court and William Seemann of 649 Longview Drive, an Antioch High School science teacher.

Village Party Seeks Place On Vote Ballot

Petitions are being circulated to collect the required number of signatures to authorize a place on the ballot of the Village Party on the ballot in the April 20 election.

Candidates for three year terms are Arthur Meierdick, Robert Bemis, and Frank Kuechenmeister.

Ronald Vos is listed as the candidate for the unexpired two-year term.

If the Village Party files its slate, the residents will have the choice to vote for candidates on the Peoples Party ticket—Richard Radke, J. Irving Walsh and Rich-

Community Interest

A general membership meeting is scheduled for Feb. 10, by the Antioch Chamber of Commerce to obtain ideas that will set the stage for the organization's goals for the current year.

It behooves all members of the chamber—industrial and business—to attend the vital meeting. Without aims and programs an organization is like a ship without a destination, aimless existing and accomplishing nothing.

This is the chamber that belongs to its membership. It must have solid workmenlike ideas to function in all phases ranging from legislative to membership.

The directors hope to set some goals at the meeting.

Won't you attend?

Hindsight vs. Foresight

Hindsight, as everyone knows, is a good deal more accurate and a great deal easier than foresight. It's also more fun.

For those reasons, then, let's indulge in a little "Monday morning quarterbacking" applied to the environmental question.

When the pioneers first began moving west from New England into the territories, the federal government sold land to settlers for a few dollars an acre. At this time, they should have outlawed all settling, tree removal and other building in areas within a mile of lakes and navigable rivers.

Towns and cities would have grown up in spite of the restriction, although probably in different patterns since rivers were important in the development of trade centers and industry.

Roads and bridges would still cross the rivers, but could not follow rivers and at those points, boats could unload cargo and make transfers. All buildings, however, would be located a mile down the road.

Industry and waste disposal facilities developed later would be forced to find other means to accommodate themselves of water. Yankee ingenuity being what it is, they would have had little trouble figuring out ways, although it would be less convenient.

Now comes the fun part: Imagine Burlington today.

It is located a mile southwest of the present location, nestled against a magnificent stand of virgin hardwood forest, laced with an occasional grassy meadow.

This untouched land includes and surrounds the entire area between the two rivers, and Rockland and Brown's Lake, and a two-mile swath extends north and south along the Fox River, and west to Lake Geneva on the White River.

Various footpaths and a few roads penetrate the swath of forest, which is wonderland of adventure for kids and place to go with the family for a picnic or to "get away from it all" on a spring evening.

Wide beautiful paths from years of use follow the shorelines of both rivers, and favorite swimming holes in the crystal water are known by everyone.

Scouts and other groups use the land freely for hiking, camping, and wildlife study, and always plan a number of weeklong hiking trips and canoe trips up and down the rivers. Families too make a habit of taking boat trips for their vacations, going north, or south into Illinois, camping, swimming, fishing and exploring all the way without ever leaving a land essentially unchanged in centuries.

Brown's Lake is so clear bass can be seen passing over rocks ten feet below. Excellent fishing is maintained by modern fish conservation techniques, and swimmers relax and play in the uncrowded woods at various points along the shore. Picnickers are not afraid to drink the water.

The vast system of virgin land is a haven for wild animals, which can be observed in their natural habitat, and hunted during season. Deer

Theresa Hospital.

Driver of the third car was Charles Bunn, 43, of RFD 4, Box 244, Town Line Road, Lake Villa, who was not hurt.

Mrs. Hansen was sitting on the right side of the front seat with her son between her and her husband who was driving the auto. The car was hit on the right side.

Hansen said he was driving east on Grass Lake Road, and had stopped for the stop sign at Rte. 59 and was moving across the intersection when his car was struck by the northbound car driven by Ward.

Hansen was thrown out of the car by the impact.

Ward has been charged with failure to stop at a stop sign.

Bunn said he was traveling west on Grass Lake Road and had stopped for the stop sign. He said he saw Hansen stop at the intersection, and that Ward gave no indication of stopping at the intersection.

Deputies said the crashed Hansen's vehicle to hit the Bunn car which had stopped at the intersection.

Funeral services for Mrs. Hansen will be held at 10 a.m. Thursday in the Strang Funeral Home, Antioch. The Rev. Donald Cobb of the United Methodist Church will officiate. Burial will be in North Shore Garden of Memories Cemetery, North Chicago.

Mrs. Hansen, who was born in Waukegan, and moved to Antioch in 1957, is survived by her husband, Laurence; two daughters Mrs. Harold (Laura) Wilson and Mrs. Douglas (Carol) Beattie, both of Antioch; two sons, Wayne B., of Antioch, and Dean Lee, at home; her father, Wayne Battisore of Waukegan; her mother, Mrs. Madge Fast of Spring Grove; two sisters, Mrs. Clyde E. Wendt of Grayslake, and Mrs. Ellsworth Peterson of Lockport, and six grandchildren.

Inflation hasn't changed the price of ashes.

But it has changed the price of your home. For example, if you bought an \$18,000 home in 1963—today it's worth about \$24,200. Don't be left with a costly pile of ashes. See me about a State Farm Homeowners Policy, that will cover your home for all it's worth... and keep it that way with automatic inflation coverage.

Trustees Set Date On Land Pre-Annexation Meeting

A joint meeting of three village government agencies will be held at 8 p.m. Tuesday, Feb. 23, to consider a pre-annexation agreement of 27 acres north of the new Upper Grade School of District 31 and just west of Tiffany road.

The three boards—Planning Commission, Zoning Board of Appeals, and the Village Board, will meet with the developers, a group of business and professional men of Antioch, and their attorneys, Ted Larson and James Lumber.

The first phase of the project provides for multi-family garden apartments on 15 acres, while 12 acres south of the creek calls for single family residential.

The developers also own 173 acres in the same area, but they did not indicate what plans are in the offing for this acreage.

Name of the subdivision is Pheasant Creek.

Backers of the project are Dr. Abderholden, Dr. Lorang, Dr.

Bucar, Ted Costoff, and Robert Costoff.

Informal meetings have been held with the Zoning Board of Appeals and Planning Commission. Both have given informal approval.

Village Mayor Raymond Toft took issue with the recommendation of the Zoning Board of Appeals, contending not all members had given their okay.

He did not identify them, although he was asked who they were by Thomas Haley, Zoning Board chairman.

A public hearing will have to be held should the pre-annexation agreement be approved.

Antioch Troop To Present Flag At FB Dinner

"Aquatic weed control by swans," a slide presentation by R. D. Van Duesen, Director of

the Kellogg Bird Sanctuary in Battle Creek, Michigan, will be a feature of the Lake County Soil and Water Conservation District Annual Conservation Dinner on Saturday, Feb. 6 at 6:30 p.m. at the Farm Bureau in Grayslake.

Van Duesen maintains several small lakes on his farm near the Kellogg Bird Sanctuary which is controlled by Michigan State University. He has found swans quite effective in controlling aquatic weeds and algae, since they feed only while swimming, and eat vegetation to a depth of five or six feet by "tipping up."

Boy Scout Troop No. 92 from Antioch will present the Pledge to the Flag.

St. Peter School Board Outlines Election Policy

On April 30 three members of the school board will have completed their terms.

St. Peter Parish consequently will vote for their replacements. To provide for a smooth transition in selecting their replacements, the school board has developed and adopted the following procedures for nominating, qualifying, and electing members of the parish school board. Terms are for a period of three years.

The election committee will be appointed annually by the school board chairman. To include ex-officio members of the board and board members.

Elections will be held on the third Sunday of April on an annual basis. (April 18, 1971).

Voting will take place after each Mass (including the 5:30 p.m. Mass Saturday, April 17). All adult parishioners or parents of St. Peter School children are eligible to vote. Parish rolls will be used to determine voter eligibility. Election committee will be responsible to appoint election judges.

A simple majority will be sufficient to elect a member.

In the event of a tie, a runoff election will be held on the following Sunday. Results of any runoff election will be announced on the Sunday after the runoff.

Election results will be published and announced on the fourth Sunday of April. Elected members will be seated at the first regularly scheduled meeting after the election, i.e., in May. Ballots will be made available in the lower level of the church after each Mass.

Prospective member must qualify according to school board requirements: reside in the community for at least six months; be a parish member or parent of St. Peter School children; must be a minimum of 21 years old. No person employed by the school or volunteer aid involved in classroom activities may serve on the board.

Candidates for board membership must submit their application petition signed by at least 10 parishioners or parents of St. Peter School children to the board recording secretary, Mrs.

Vistain, no later than Tuesday, March 9. Application-Petition forms will be available at the school office after February 1st.

The election committee will be responsible for certification of all applicants. Election committee will accept Application-Petitions. Election committee will determine eligibility and acceptance of candidates to the school board.

Announcement of qualifying candidates will be made at the school board meeting on March 11th.

In the event a candidate does not qualify, he will be advised of the decision as well as the reason for his failure to obtain certification prior to March 11th. Any candidate will have the opportunity to question the election committee should he fail to obtain certification and present his case in favor of certification prior to March 11th.

Election Committee will be dissolved after completion of election.

LV Midshipman Cited For Grades

Navy Midshipman Thomas J. Nickerson, son of Mrs. Zelma E. Nickerson of 69 E. Grand Ave., Lake Villa, was awarded Academic Achievement Stars while attending the Naval Reserve Officer Corps Unit at the University of Illinois at Champaign. He received the award for his academic and aptitude excellence.

Lake Villa Sailor Aboard Missile Ship

Navy Seaman Apprentice Sammy R. Barrett, son of Mr. and Mrs. Roy N. Barrett of Rte. 2, Lake Villa, is now serving aboard the missile test ship USS Observation Island which will change its homeport from Port Canaveral, Fla., to Pearl Harbor, Hawaii in early February.

Antioch Girl Writes About Exchange Student

By Mary A. Molgard

Anita Oyace, of Santiago, Chile, has come to Carmel High School for Girls as a member of the International Student Exchange.

She is now living with the William S. Kremidas family of Halsey Village, Great Lakes, and attending school with her "sister" Anne. In a recent interview, Anita explained that she was allowed to come to the United States because of her good grades, personality, and amount of income.

In Santiago, Anita has two brothers and one sister, and occupies her time at work in her father's book store. She attends

St. Cecilia School, where she studies mathematics, history, Spanish, English, French, Chemical Biology, Physical Education, Home Economics, and Music, all within an eight hour day.

Anita likes the United States very much, and would like to remain in this country. She likes the people here, especially the sailors at Great Lakes. College looms in Anita's future; she plans to major in Psychology.

Since Anita has been in the United States, the Kremidas family has taken her to various points of interest, especially Chicago. They toured the Art Institute, and plan to take in the remaining museums and art exhibits in the area. Anita's favorite occupation lately has been shopping, and next, she would like to try her hand at some skiing. Anita had never seen snow close up. The mountains outside Santiago have snow at the peaks, but she has never been to them.

On Feb. 27, Anita will leave the Kremidas family, and will proceed on a ten day tour across the United States. She will visit New York, Niagara Falls, Washington, D.C., and depart from Miami.

When asked about the political situation in Chile, Anita remarked that all the people loved President Allende, and his form of Socialism. She does not think Allende is wrong in his motives, and reminded everyone that he was elected BY his people.

New Rules Lower Your Income Tax

More taxpayers can now reduce their income taxes under changes in income averaging rules made by the Tax Reform Act of 1969, E. P. Trainor, District Director of Internal Revenue, Chicago District, announced.

If a person's income is sharply higher than in the previous four years, a part of the additional income is taxed at a lower tax rate.

Income averaging may be used, Trainor said, if the taxpayer's 1970 average income exceeds \$3,000, and exceeds 120 percent of his average income for the four previous years. In past years the percentage requirement was 133 1/3 percent instead of 120.

The Act also extends the averaging method to long-term capital gains.

Additional information on new income-averaging rules is available in IRS Publication 506, "Computing Your Tax Under the Income Averaging Method." Send a post card to: PO Box 1193, Chicago, Illinois, 60690.

Editorial—

(Continued from page two)

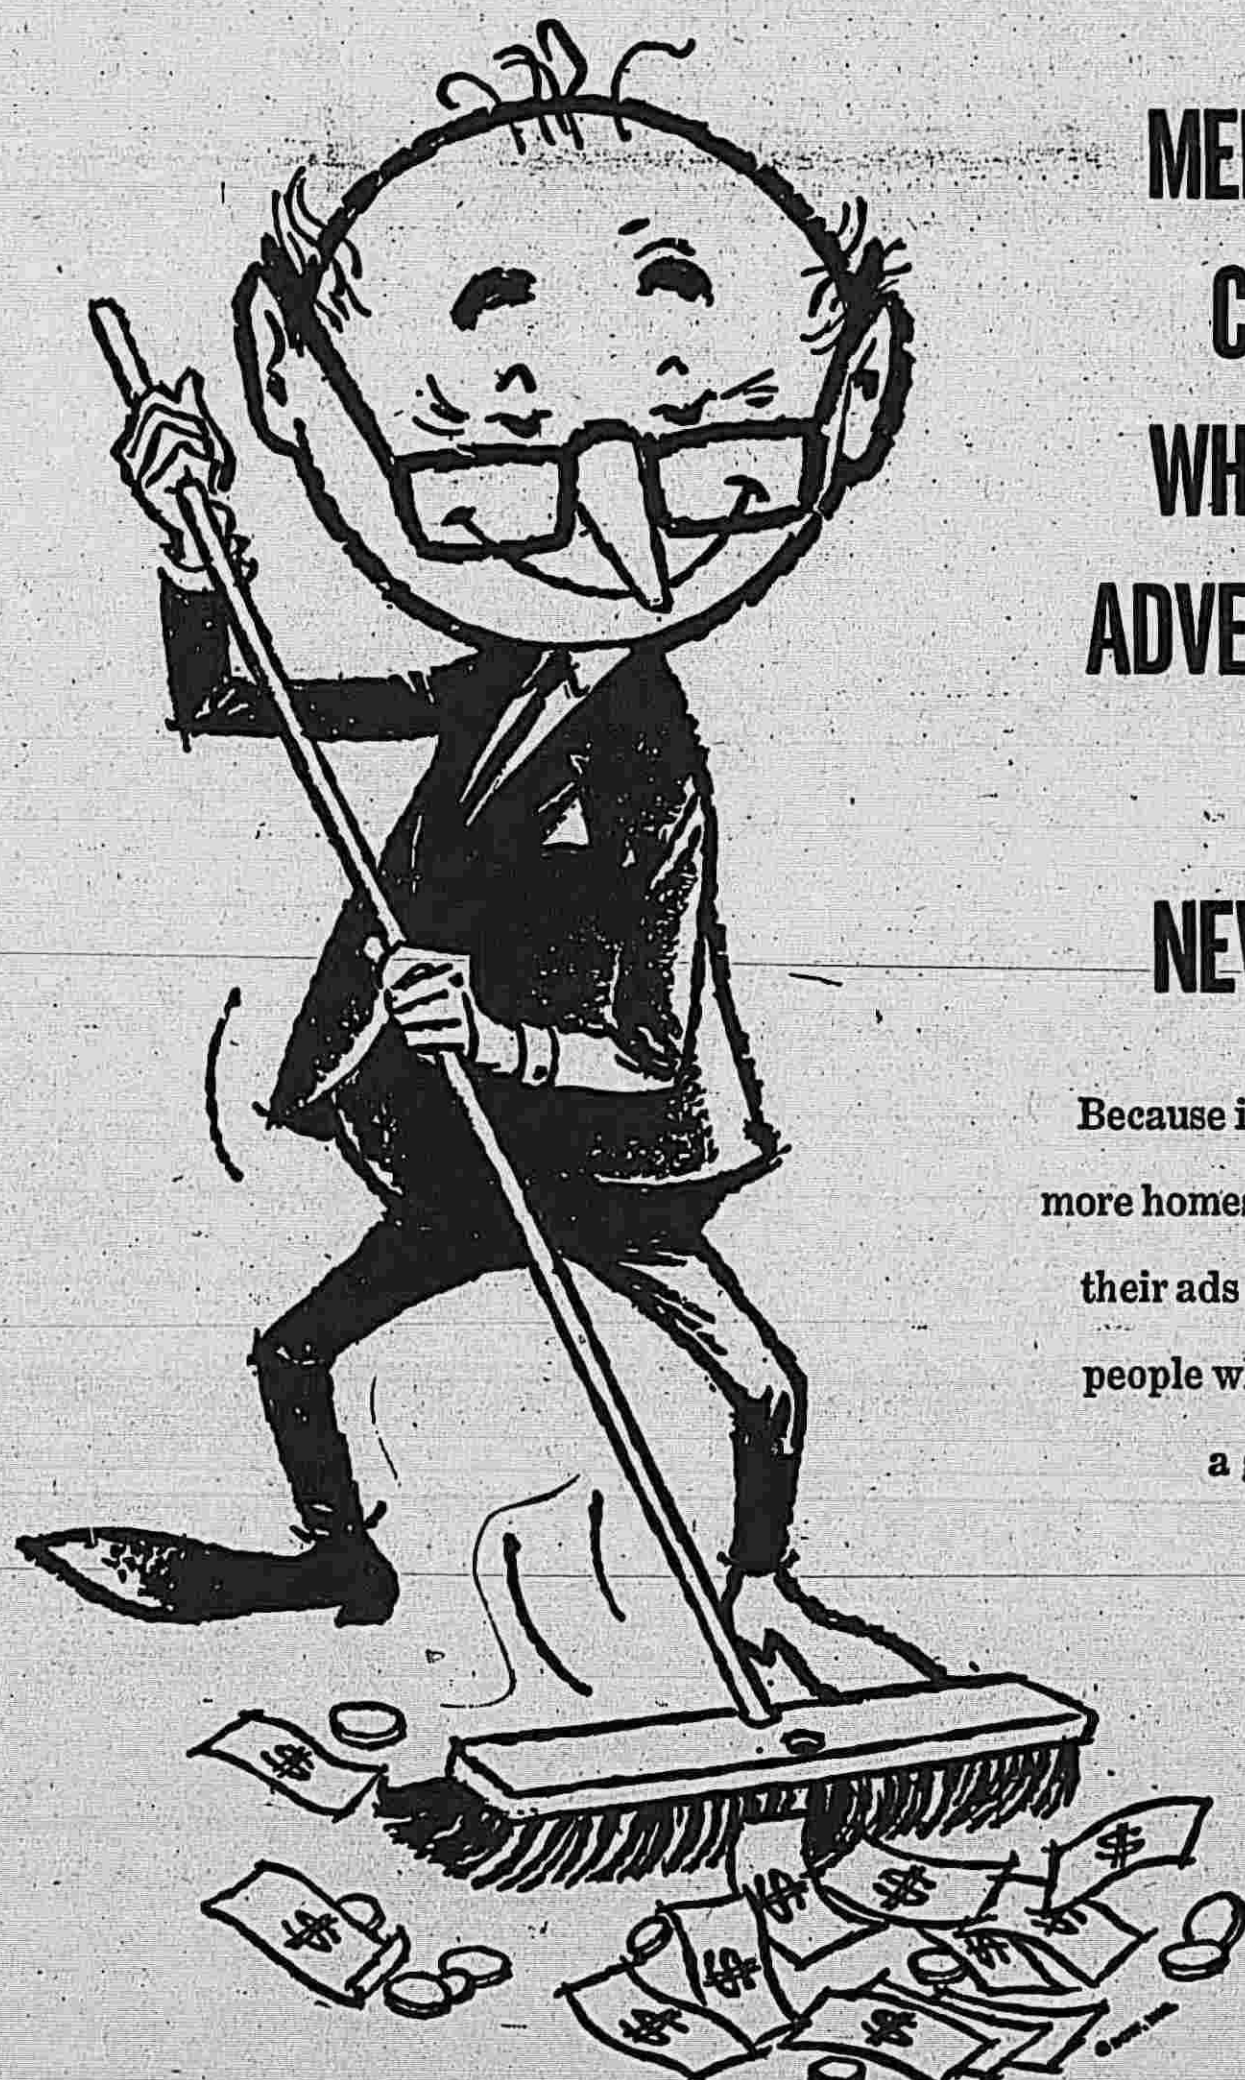

hunters don't bother to go north—

This area is legally designated national forest land, and the government sees to its protection, and in restricted cases, to its improvement for better use, such as building fireplaces, campgrounds and warming shacks for ice skating.

So that's the plan. If you see any flaws in it, keep them to yourself. If there is one thing a self-indulgent hind-sight artist cannot tolerate, it's someone popping his pretty picture with the pin of realism. (On the other hand, we probably should take a realistic look at what little remains of our natural environment and critically eye any plans to destroy it.)

MERCHANTS CLEAN UP WHEN THEY ADVERTISE IN OUR NEWSPAPER

Because it takes them into more homes in our town and their ads are seen by more people who enjoy reading a good newspaper.

Knowledgeable merchants know the most likely people to become customers are those who have already decided to buy. They know that these people will read the ads before they decide "from whom" they will buy. By advertising in our newspaper, we guarantee you will reach those who are the most prospective customers in this area, and make more sales.

FUNERAL NOTICES

MRS. DOROTHY F. APPEL

Mrs. Dorothy F. Appel, 57 years old of South Sixth Street, Silver Lake, Wis., passed away suddenly from a heart attack at her home on Monday, Feb. 1, at 1:30 p.m. She was born July 17, 1913 in Chicago and resided there until moving to Silver Lake permanently on Aug. 10, 1970, but had spent her summers there since Aug. 24, 1969. She had worked for 10 years as a sales clerk for Sears, Roebuck State Street store.

She married George R. Appel on Feb. 20, 1943 in Chicago.

Survivors are her husband George R. A. Appel, Silver Lake, Wis.; three daughters, Mrs. Diane (Jack) Kammer, West Chicago, Ill., Mrs. Delores (Edward) Adshade, Plato Center, Ill.; Mrs. Marilyn (Charles) Mead, Omaha, Neb.; her father George H. Randall, Silver Lake, Wis.; two sisters, Mrs. June (David) Meier, Arlington Heights, Ill., Mrs. Jean (Peter) Cazzalo, Hallandale, Fla.; one brother, Walter Hankforth, Libertyville, Ill., and five grandchildren.

Funeral services were held at 2 p.m. today (Thursday), Feb. 4, at Drake & Son Funeral Home at 625 Busse Highway, Park Ridge, Ill., where friends called after 7 p.m. on Tuesday. Interment was in Elmwood Cemetery at River Grove, Ill.

GUSTAV LIPPIG, JR.

Gustav Lippig, Jr., 70 years old of Rt. 2, Box 335, Antioch, passed away suddenly from a heart attack on Sunday, Jan. 31, at his home. He was born on October 1, 1900 at Schochwitz, Germany, and came to the United States in 1924 to reside in Chicago, then moved to West Palm Beach, Florida, before moving to Lake County. He was a cement finisher by occupation.

He is survived by four daughters, Mrs. Rohny (Janet) Everett, Volo; Lake, Trevor, Wis., Mrs. Jeffrey (Judith) Pritchard, Kenosha, Wis., Miss Joyce Lippig and Miss JoAnn Lippig, both of Union Grove, Wis.; one son, LeRoy Lippig, Kenosha, Wis.; two brothers, Karl Lippig, Round Lake Beach, Ill., Otto Lippig, St. Charles, Ill.; one sister, Mrs. Anna Kopko, Chicago, and three grandchildren.

Funeral services were held at 1 p.m., today (Thursday) at the Strang Funeral Home in Antioch. Interment was in Fox Lake Cemetery.

STEVE M. SCAKANEK, JR.

Steve M. Scakanec, Jr., 57 years old of Crooked Lake Oaks Subdivision, Lake Villa, passed away Friday, Jan. 29, at St. Therese Hospital. He was born Jan. 15, 1913 in Chicago and resided there until moving to Lake Villa in 1954. He had served in the U.S. Army during World War II. He had worked for the C.T.A. in Chicago. He married Helene DeSart Larson on Jan. 12, 1937 in Chicago.

He is survived by his wife, Helene; two sons, John K. Larson, Grayslake, Ill., Robert B. Larson, Lake Villa; one brother, James Scakanec, Chicago; one sister, Mrs. Anna Schoenleber, Antioch, and seven grandchildren.

A funeral mass was held at 10 a.m. at St. Peter's Church in Antioch. Interment was in Millburn Cemetery.

MRS. VIDA L. SHEEN

Mrs. Vida L. Sheen, 75 years old of Silver Lake, Wis., passed away at 6:30 a.m. on Thursday, Jan. 28 at Brookside Nursing Home in Kenosha. She was born Sept. 12, 1895 in Walworth, Wis. and had lived in Salem most of her life, until moving to Silver Lake in 1955. She had attended the Trevor Grade School and Wilmet High School. Vida Longman married Willis Sheen on April 30, 1915 at Kenosha, and he preceded her in death on Dec. 16, 1962.

She is survived by 3 sisters Mrs. Florence Lindblad (Chetek, Wis.); Mrs. Pearl Hartnell (Milwaukee, Wis.); Mrs. Bernice (Richard) Mason (Milwaukee, Wis.); 1 sister in law Mrs. Mary Longman (Trevor, Wis.).

Funeral services were held at 1:30 p.m. on Saturday, January 30 at Strang Funeral Home in Antioch. Rev. Robert R. Mason of the Silver Lake Baptist Church officiated. Interment was in Liberty Cemetery.

Sorensen Cited For His Grades

Roger Sorensen, son of Mr. and Mrs. Leslie Sorensen of 587 Phillips Cr., Antioch, has been named to the Dean's List in recognition of his academic accomplishments during the first semester at Millikin University, Decatur. He is a sophomore majoring in business.

\$5 Million...

(Continued from page one)

used for recreation purposes in tennis courts, horseshoe courts, swimming pool and play ground. "It would be an island, unique in Lake and Cook Counties," he said.

Graham said considerable amount of money had been spent in making borings for the feasibility of constructing apartments and commercial buildings on the property.

"The land never will be sold for industry," he claimed. "Unless, it is rezoned, it never will sell."

Graham said he is associated with a savings and loan association in LaGrange Park which has more than a half-million dollars in mortgages in Antioch.

"I want to build and grow with Antioch," he added. "I am sure it will attract the kind of people and neighbors Antioch will be proud of."

Martin Samuels of Chicago, an engineer, said that Antioch has 17 1/2 per cent of the land zoned for industrial use.

"This 23 acres only represents one per cent," he said. "I can't see any objection to such a small figure."

LaPlant said, "I believe the Zoning Board of Appeals made its decision on what it thought was the best thing. My project is based on today and not on a dream or anticipation—it is based on what will happen now."

Village Trustee George Bartlett, citing the need for low cost housing, the additional revenue to the village, and the taxes, proposed the zoning revision.

It was supported by Trustees Vern Barnstable.

Bartlett and Barnstable got support from Richard O. Burnette, but negative votes were cast by J. Irving Walsh, Richard Radke, and Robert C. Wilton.

The proposal was one vote short of two-thirds of the six-man board to override the Zoning Board of Appeals—the issue had been defeated.

"The zoning is denied for failure of a two-third vote," said Village Mayor Raymond P. Toft. After the vote, Graham said considerable time and money had been spent on the project.

"I feel that LaPlant has been treated unjustly," he charged. "This land is not suited for industry and LaPlant is entitled to a 'better shake' since he was a lifelong resident of Antioch."

"There was not a single objector at the public hearing," he said. "I believe the action was a disservice to the community."

"It's the people's loss," he said. "It's LaPlant's loss and Antioch's loss. I wanted to build in Antioch, but maybe we can take this project elsewhere."

Mayor Toft, in commenting on the action, said, "I believe the trustees who did not support the change missed the boat on progress for the community."

Antioch VIP...

(Continued from page one)

their daughter, Ainslee, who is a student at Ripon College.

Many roles of leadership in community service have been undertaken by Bill Brook. He is currently president of the School Board of Antioch High School and has served on the board for thirteen years. He is past president of the Lake County School Board Association.

He is a past president of the Chamber of Commerce and is currently chairman of the Antioch Industrial Council. He is treasurer of the Countryside Hospital and treasurer of the Salvation Army Service Clinic.

He is a member of the Vestry of St. Ignatius Church and treasurer of the Hillside Cemetery Association.

As a member of local service clubs and fraternal organizations he has also been very active. He is past president of the Lions Club, a member of the Rotary Club, American Legion, Medina Temple, Sequoit Lodge 827 A. F. & A. M., 885 Club, Loyal Order of Moose, National Republican Club, and the Chain of Lakes Shrine Club.

Conservation of our natural resources has always been an area of concern and activity for Brook because of his life-long interest in hunting and fishing. He is vice-president of the Northern Illinois Conservation Club, and a member of the Kenosha County Conservation Club and is active in other local organizations aimed at the preservation of our fields and streams.

In making the announcement of the selection of Bill Brook as Antioch's V.I.P. for 1971, the Rev. Alfred J. Henderson, pastor of St. Peter's Church said, "Certainly, there is no one who has worked more tirelessly and unselfishly to improve the quality of life for everyone in our community than Bill Brook. Antioch is indeed fortunate in having such an outstanding native son."

The committee for the V.I.P. dinner dance will soon release ticket information and details about the program of events.

JUST ARRIVED?

We've no red carpet to roll out; no brass band to serenade you. But we can help you with names and locations of schools, lists of community facilities, shopping information and all the other things you'll want to know about your new home town. SPREAD CHEER

Mesdames Mena DeGroot, Bridle Gibbons, Pat Dittmer and Rita Chartier represented the Prince of Peace Altar and Rosary Sodality when they visited the Lake Villa Men's Home last Thursday.

DAY OF RECOLLECTION

The Rev. William T. Morrison, C.S.C., Dean of Admissions of Notre Dame University, Senior Counselor at Notre Dame High School in Niles, and now on assignment at Lutheran General Hospital, guided the people of Prince of Peace parish in a Day of Reflection on Wednesday, Feb. 3. The Altar and Rosary sponsored the program and members of the Sodality served refreshments at the close of the evening.

TEA FOR CONTESTANTS

The Mother's Club of Prince of Peace School is having a tea for the Teen Fashion Show contestants on Sunday, February 7 at 2 p.m. at the school.

Girls, ages 12 years to 18 years, are invited to attend, to be informed of the rules and regulations. The contestants will have approximately two months to complete their hand-sewn articles. A Fashion Show will be held on April 18 to judge the winners. Prizes will be awarded. The contest is open to all girls in the area; that is, those attending Carmel, Grayslake, Antioch and Grant High Schools. And the grade schools.

HOSPITAL PATIENT

Mrs. Billy (Marlene) Rose was taken to St. Therese Hospital last Thursday afternoon by the Lake Villa Rescue Squad. She is in room 363. Her neighbors wish her a speedy recovery.

HOME AGAIN

Mrs. Ann Zandier came home from St. Therese Hospital a week ago. She is staying with her daughter, Mrs. Craig Rieckey.

PANCAKE BREAKFAST

Due to the success of the last pancake breakfast, the Prince of Peace Festival committee is planning another for Sunday, Feb. 21.

BIRTHDAYS

Birthday greetings to Kim Forster, John Andrew Brown, James Reed, John Alan Shepard, Gene Wiczorek, and his children, Christine and George, Jim Shore, Carl Gardner, Jr., Maurine and John Blake, Cindy Kleffner, Mrs. Jenny Szydlowski, Michelle and Renee Bonfoey, M. A. Terdin, Harry Nelson, Dale Anderson, Rhonda June Schofield, Eileen Marie Pleviak, Zenia Neumann, Shirley Heidner, Kelly Ann Holtdorff, Mrs. Agnes Wilhelm, Harold Sokup, Maxine Forester, Hank Woolard, and twins Janet and Jeanne Walsh.

ANNIVERSARIES
Congratulations to Denver and Mary Shore on their wedding anniversary Feb. 1. Feb. 2 was the Wayne and Shirley Larsen.

MOOSE
TOPICS

A meeting was held at McHenry Moose last Wednesday evening in regards to the breaking up and forming a new legion of Moose jurisdiction. Meeting was called to order by Grand Herder Earle W. Horton. Antioch Moose is now in the Northeast Illinois Legion No. 169. Other lodges are Barrington, Crystal Lake, Fox Lake, Harvard, McHenry, Wauconda, Waukegan, Woodstock, Zion and Highland Park who are in the Legion No. 169 also.

Kenosha, Racine and Elkhorn will transfer into a Wisconsin Legion of Moose.

As of July 1, 1971 will be the beginning of Northeast Illinois Legion No. 169 and Winner Legion No. 74 will be dissolved.

There will be a Legion breakfast and officers' meeting at Waukegan Moose Lodge on Sunday morning, Feb. 7, at 9 a.m. for all Winner Legion No. 74 legionnaires and their ladies.

The next Third District meeting and breakfast will be held at Harvard Moose Lodge on Sunday, Feb. 14 at 9 a.m., President Thornton presiding.

THE CHURCH ON THE HILL INVITES YOU TO WORSHIP ON SUNDAYS AT 9:30 A.M.

Pastor Philip O. Laurin

Mr. and Mrs. Philip N. Thiele

Judith Bergin Weds William Thiele

Philip N. Thiele, son of Mr. and Mrs. E. J. Thiele of RFD 2, Box 131 and Judith A. Bergin, daughter of Mr. and Mrs. William Bergin of 2407 Deerpath, Lindenhurst, were married Jan. 16, in Antioch Evangelical Free Church. The Rev. Bernard Fosmark, pastor of the church, united the couple at the afternoon ceremony. The bride was attended by Mrs. Barbara J. Bokan as matron of honor. Best man was Charles Thiele, brother of the bridegroom.

Ushers were Eugene Thiele, also a brother of the bridegroom, and Robert Bergin, brother of the bride.

Mrs. Thiele was graduated from Grayslake High School. Her husband, an Antioch High School graduate, is employed at Regal China Corp.

A reception was held for 100 guests in the church parlor following the wedding.

The couple will live in Antioch upon their return from their honeymoon at Ft. Lauderdale, Fla.

Melonnie Jensen

Announce Engagement

Mr. and Mrs. Robert Jensen of Antioch announce the engagement of their daughter, Melonnie, to Glenn E. Crellin, son of Mr. and Mrs. Amos Crellin of Lincoln, Nebraska. Miss Jensen, a graduate of Antioch High School and a 1970 graduate of Drake University, is presently teaching at Lindbergh High School in St. Louis. Her fiancé is currently attending Drake University in Des Moines, Iowa, where he is majoring in economics. An August wedding is being planned.

Exchange Student To Address Altar Society

On Feb. 8, St. Peter's Altar and Rosary Society will hold its first meeting of the new year.

It will be held in the Blue Room at the school. Benediction will be at 7:45 p.m., Father Alfred Henderson officiating.

Luis Herrero of Argentina, a foreign exchange student at Antioch High School, now living with the Robert Gross family on Grass Lake Road. He will talk about his native country, Argentina, supplemented by slides.

Also on the program will be Mrs. Phyllis McMillen who will have a short preview and show several dresses that at one time were worn by Mrs. Mary Todd Lincoln as the wife of President Lincoln.

The next Altar and Rosary meeting will be held in March. The program will be on abortion and will be open to the public. Everyone is invited to attend.

Call 395-4111 to place a Society or News Item.

Five Attend Mid-Winter Meeting

The Mid-winter meeting of the Tenth District of Illinois Federation of Woman's Clubs was held at the Devonshire Community Center in Skokie, on Jan. 21.

The Antioch Woman's Club was represented by five members, Mrs. Ray Toft, president, Mrs. Anton Stanich, vice president, Mrs. Max Jester, recording secretary, Mrs. Joseph Horton, past president and Mrs. Donald Purdy.

The Antioch Woman's Club met Monday, Mrs. Donald Purdy was the hostess.

Assisting Mrs. Purdy were Mrs. Myrus Nelson, Mrs. Eugene Zannini, Miss Marguerite Snider, Mrs. Edmond Casey, Mrs. William Webber, Mrs. Victor Nelson, Mrs. James Kopriva, Mrs. Jacob Feller, Mrs. Joel Armstrong, Mrs. John Lorange and Mrs. Clarence Olson.

Mr. and Mrs. Paul Mahler of Round Lake Beach announce the engagement of their daughter, Mary Louise, to Robert Nyderek, the son of Mr. and Mrs. John Nyderek of Dolton. The wedding will be May 15 in St. Joseph's Catholic Church, Round Lake.

KC Sleigh Ride Cancellation Is Explained

The Knights of Columbus, St. Peter of Antioch Council 3800 wish to apologize to those who came to the Circle D Ranch for the sleigh ride Saturday, Jan. 23. Due to late cancellation by the Circle D Ranch we were unable to publish any announcements of the change. We regret that this happened.

American Legion Auxiliary News

By Del Jahneke

Members of the 10th District American Legion Auxiliary will have an additional treat in store for them at their District meeting, to be held at the Mundelein American Legion Home, on February 10th, at 8:00 P.M. Their Department (State) President, Mrs. Bernard Schmidt of Moline, will be an honored guest and a featured speaker.

Mrs. Schmidt was elected by acclamation as State President by the 73,000 members of this largest patriotic-service organization at its 50th State Convention held in Chicago, July 25, 1970. She is eligible through the World War II services of her husband, who served in the Asiatic-Pacific theater.

Serving several years as rehabilitation chairman of East Moline Hospital, Mrs. Schmidt devoted numerous hours of volunteer service of the war veterans there. She has had an outstanding record in her state chairmanships of Americanism, Child and Youth, Civil Defense, Foreign Relations, and in the offices of Department Historian, State Second Vice and First Vice President.

In her home community, Mrs. Schmidt has an enviable record of activity in civic organizations, youth groups, P.T.A. and in her church. As she travels through Illinois, she will represent the American Legion Auxiliary at various civic, patriotic and state meetings.

Each year, the State President selects a particular project on which to place special emphasis. Mrs. Schmidt will stress the plan of financing the purchase of an ambulance to transport senior veteran patients residing at the Illinois Soldier's and Sailors' Home in Quincy, Illinois, for treatment at a nearby veteran's hospital in Iowa.

Mrs. Schmidt will be bringing a timely message of Auxiliary achievements to the members of the 10th District Auxiliary at this February meeting.

There will also be a speaker on various phases of Americanism, Mrs. Edwin Bradtko, Gur-

nee, District Americanism Chairman, stated. Mrs. Robert Broege, Deerfield, District President, will conduct the meeting.

According to Mrs. Ray Rathmann, Antioch, District Junior Activities Chairman, there were approximately 40 Juniors and 10 Senior members at their January 22nd District Slumber Party meeting, held at the Homer Dahlinger American Legion Home in Waukegan. Under the foreign relations program, slides were shown of the CARE program for Panama, the country the Auxiliary is studying and aiding monetarily this year. Popcorn, an old fashioned taffy pull and pizza were on the evening's agenda, with the slumber party and a pancake breakfast the following morning. Jeanne Walston, Lake Zurich, District Junior President, was the presiding officer. There were Juniors present from Antioch, Gurnee, Lake Zurich, Mundelein, North Chicago and Waukegan. A roller skating party on February 28th is planned as their next activity.

Representing the Antioch Unit at the slumber party were Mrs. Rathmann, and Juniors, Susan Rathmann and Colleen De Vries.

The Antioch American Legion Auxiliary No. 748 will be celebrating the 51st anniversary of their national organization at their annual birthday pot-luck supper party meeting, to be held at the Antioch American Legion Home, on Monday, February 8th, at 6:30 P.M. Mrs. John W. Horan, President, said that their member's husbands were invited guests, as well as the post legionnaires and their wives. After the dinner and brief meeting, card games and bingo will be played.

Hostesses will be Mrs. Rathmann, Chairman, Mrs. Anton Johnson, Mrs. Ollie Tweed, Mrs. Ralph Fields, Mrs. Hjordis Bremer, Mrs. Ernest Glenn, Mrs. Estelle Gatch, Mrs. Thomas, Mrs. William Chase and Mrs. Doris Caple.

A Picture Story...

TIME OF DECISION

It isn't until you have the seed catalogs in front of you that you reach the time of decision — the time when you must make up your mind whether you will grow vegetables, flowers or both in your garden. A vegetable garden like this one furnishes a lot of good eating and a lot of solid satisfaction.

But a flower border, colorful with marigolds, zinnias and a border of multi-hued annual phlox is a delight to behold and furnishes flowers for the house. Perhaps you'd better decide to grow both vegetables and flowers in 1971.

Women's Fashions Today Dictate They Wear Belts

Since the days of the chain belts, the fashion dictate is to truss women up in belts: waist belts, hip belts, even little ones to go around the neck and apply named chokers.

The belt was originally an offshoot of the suspender. Today, it is judged more for its accessorizing value than for its practical use. It has become an essential part of the total fashion look—the beltless mid is as incomplete and eye-jarring as wearing spiked heels with the mini.

Belts range from thin leather thongs to as wide as four inches or sometimes even more. They are made of anything from ribbons to metals to pearls. One

enterprising teenager even hampered together rings from soda cans and made them into an

With a little imagination, you can make your own belts to suit every one of your outfits, or you can even give them away as birthday or happy-to-know-you presents. Someone kiddingly said that you can pull the cords off your curtains and tie it around your waist and you'll be in the height of fashion. You can also knot together several strands of different colored wools: long ones can be tied around the waist, shorter ones around the neck, and the smallest ones can serve as bracelets. Don't throw old leather belts away—paste varied-colored skins on them for an updated look. If the belts are narrow, wear two at the same time, one above the other.

Medical Mission Society Plans Feb. 10 Party

The Medical Mission Society will hold a Tupperware party at 10 a.m. Feb. 10, in the lower level of St. Peter's Church.

Proceeds from this party are to help defray some of the postage on the articles that are being made by the mission ladies of the society and sent to Techny, Ill. From there they are sent overseas where they are needed. Refreshments will be served.

CHRISTIAN SCIENCE CHURCHES

A deeper and more dependable basis for overcoming anger and violence will be brought out in Christian Science churches Sunday.

One of the Scriptural passages in the Lesson-Sermon entitled "Spirit" reads: "He that is slow to anger is better than the mighty; and he that ruleth his spirit than he that taketh a city."

A related passage from "Science and Health with Key to the Scriptures" by Mary Baker Eddy states: "Rise in the strength of Spirit to resist all that is unlike good. God has made man capable of this, and nothing can vitiate the ability and power divinely bestowed on man."

Services at First Church of Christ, Scientist, BEACON HILL, Harden and Rte. 173, begin at 11 a.m. All are welcome.

"GOD WILL HEAL YOUR CHILDREN"

4-H Offers Clinic In Photography

Four-H members and leaders of Lake County are currently attending clinics for many of the projects offered.

The workshops slated for February include: leathercraft, photography, gun safety and horsemanship.

According to Bill Messerschmidt, Lake County Assistant Extension Adviser, the upcoming photography training will be on a professional level. It will be conducted by George Schneider of Wadsworth.

Schneider will explain various techniques of photography outlined in the 4-H member's manuals. These manuals are available to 4-H'ers at no cost along with the manuals for the approximately 100 other projects offered.

An explanation of what is expected for exhibits at the county fair will also be given. Then Mr. Schneider will offer assistance to older 4-H members on expanding the project to include original ideas. This advanced phase of the project could be incorporated into a new project called "Do Your Own Thing."

The schedule for the photography session is: Unit I—Friday, Feb. 5; Unit II—Feb. 12; Unit III—Feb. 19; and Unit IV—Feb. 26. All units will meet at the 4-H and Cooperative Extension Office Auditorium on Rt. 45, 1/2 mile north

of Rt. 120. The starting time for all of them is 7:30 p.m.

The Gun Safety Training is well on its way! February's meeting is the third in the series and will consist of actual shooting practice at a rifle range. Steve Townsend, the Gun Safety instructor, specifies that only those members who have attended at least one of the previous meetings may participate in the rifle target practice.

The rifle target practice will be held on Saturday, Feb. 13 at the Volo Shooting Range at the intersection of Rte. 12 and Rt. 120, starting at 10:30 a.m.

Later in February, a 4-H Horse and Pony Clinic will be held.

If you would like to find out more about the 4-H program, contact the Lake County Cooperative Extension Service at 223-5844 or 223-4844.

Woman Marine Pfc. Joan E. Kane, daughter of Mr. and Mrs. Jack D. Kane of Route 2, Salem, Wis., was promoted to her present rank while serving at the Marine Corps Supply Center, Albany, Ga.

Landscaping Course To Start In March

A course in Landscaping The Home Grounds will be presented during the month of March in the New 4-H and Adult Extension Building on the Lake County Fair Grounds.

The landscape course will be conducted by Extension Adviser, Ray T. Nicholas.

Similar courses were conducted the past seven years with a total of over 300 enrollments. Many who enrolled in the course have

partially or completely landscaped their home grounds, states Nicholas.

The course consists of five two-hour sessions from 1 to 3 p.m. starting on Thursday, March 4. Other sessions will be on March 11, 18, 25, and April 1.

The course which will be conducted by Lake County Extension Adviser, Nicholas will cover such topics as Your Landscaping Needs, Starting the Plan, Analyzing the Site, Choosing Landscape Structures, Choosing Construction Materials, Fitting Plants to the Environment, Fitting Trees to the Plan, Designing the Public, Private, and Service Areas, and Buying and Caring for Plant Materials.

Application blanks for the course may be obtained by calling or writing the Lake County Cooperative Extension Service, Lake County Fair Grounds, P.O. Box 267, Grayslake, Illinois 60030. All enrollments for the course are due in the Extension Adviser's office by Feb. 26.

Grade School Plans Fund-Raising Event

The 7th grade class at Grass Lake School is sponsoring a Tupperware Party on February 10, at 7:30 p.m. in the school gym, in order to raise funds for the graduation dinner.

Coffee and cake will be served. Hostesses for the evening will be the 7th grade room mothers, Mrs. Sandy Johnson, also the demonstrator, and Mrs. Lois Fucella.

Donations To Rescue Squad

It's a fact

VENICE'S romantic gondolas are made of strong oak planks ...

... and 'COURTING BUGGIES' still used in parts of the Pennsylvania Dutch country are made with beautiful oak paneling.

Modern homes show the same high regard for the beauty and durability of oak by using it on floors that will last longer than the house itself.

McClory Raps Defense Department

Congressman Robert McClory addressing his colleagues in the U. S. House of Representatives scored the Army and Defense Departments for their "frantic efforts to move the Fifth Army headquarters to Fort Sam Houston, Texas."

Congressman Leslie Arends (R-Ill.) Ranking Member of the House Armed Services Committee, praised McClory's efforts and noted that "In many, many other instances we have seen that the end result is that more money has been spent than saved."

Congressman McClory has been joined by a number of mid-west Congressmen in opposing the abandonment of the Headquarters at Fort Sheridan as well as other Army activities. It is planned to retain only the military housing comprising more than 300 family housing units.

According to Congressman McClory, "The Army appears to take the position that by cutting out jobs at Fort Sheridan, it will save millions of dollars." However, as the Congressman pointed out in his speech on the floor of the House of Representatives "more than \$3 million was spent in equipping the Fifth Army headquarters at Fort Sheridan and it would be a terrible waste to now add \$20 million more for headquarters expansion at Fort Sam Houston, Texas."

The sponsors of the pending legislation seek a committee review of the Army's cost figures and to establish by testimony that the Fifth Army should remain at Fort Sheridan both for reasons of national security and for the efficient and economical operation of the Army in the mid-west. Congressman McClory's efforts began in March 1970 when the original announcement was made. Up to the present, no details of the planned move or official statement concerning the future of Fort Sheridan have been revealed by the Army. Meanwhile, personnel transfers have been taking place quietly—and without official top-level sanction.

Hayden To Attend Chicago Meeting

Russell Gwaltney of Gages Lake, and William Hayden of Antioch, chairman and vice-chairman of the Lake County Soil and Water Conservation District will join other directors from Illinois 98 soil and water conservation districts representing the state at the 25th annual convention of the National Association of Conservation Districts (NACD) in Chicago Feb. 7-11.

UN Correspondent At Baral College

Baral College presents an evening with Pauline Frederick, award winning United Nations correspondent for NBC-TV and radio on Wednesday, Feb. 17 at 8 p.m. Miss Frederick will speak on "The UN and the World Today." Miss Frederick is now in her 14th year with NBC-TV as their special correspondent on United Nations affairs.

Green Thumb Tips

Have you checked your fertilizer, insecticide and fungicide packages lately to make certain they are still holding together and that their contents are safe?

Remember that some pesticides lose their effectiveness in a year's time, so must be discarded at the end of each season.

One such is rotenone, widely used to control insects on vegetables since it is not poisonous to humans. It should be bought anew each year.

For earliest snap beans try a new variety developed by the United States Department of Agriculture.

Named Provider, it starts early to produce a heavy crop and this even under conditions that are less than ideal.

The variety also is resistant to common mosaic and tolerant of another disease, powdery mildew.

The itch to plant something as soon as the soil can be worked can be satisfied with good results if you confine your efforts to annuals that like cool temperatures and will tolerate late frosts.

These include sweet alyssum, bachelor's button, candytuft, calandula, annual chrysanthemum, larkspur, snapdragon, stock and sweet pea.

Certain annuals, such as double hollyhocks, after they have been in your garden for a few years, may have seedlings growing around them.

Don't be too disappointed if those you allow to grow have single flowers when they bloom. That's the way it is with seedlings. They don't, necessarily, resemble their parents.

When you plan to grow peas or beans in your garden, order an inoculant when you order the seeds. Most seed companies sell it, but be sure to name the crops on which you want to use it.

What does an inoculant do? Supplies the bacteria which form nodules on the roots of plants in the pea family.

These bacteria are able to take free nitrogen from the air and "fix" it in the nodules. Nitrogen, as you well know, is the most expensive ingredient in fertilizer.

When the residues of these plants are turned under in your garden, and as nodules decompose, the nitrogen is added to the soil.

Illinois Legislator Seeks Federal Fund Sharing

Illinois Representative John H. Conolly (Republican, Waukegan) participated with legislative leaders from 16 states in a news conference in Washington on efforts by state legislatures to get federal revenue sharing.

The legislators' news conference was held in support of President Nixon's State of the Union message Friday evening, in which he again called for federal revenue sharing.

Conolly, Vice President of the National Legislative Conference (NLC), said that revenue sharing is one of the issues that will ultimately be decided at the national level, but is one in which citizens at the local level and state legislators must be intimately involved.

"The financial situation of the States and localities is of crisis proportions throughout the nation," Conolly said. "If we are to continue to provide the current level of basic services to people, the taxpayer must get relief from the federal government through revenue sharing," he added.

Conolly also serves as Chairman of the NLC Intergovernmental Relations Committee which originated a resolution calling for a constitutional convention to enact a revenue sharing measure. The resolution received overwhelming support at the NLC's annual meeting in August 1970. The National Legislative Conference consists of the state legislators from the 50 States.

Subsequently, the constitutional convention approach was endorsed by the two other national organizations of state legislators: the National Conference of State Legislatures and the National Society of State Legislators.

Article V of the Constitution requires Congress to call a constitutional convention upon petition of two-thirds of the state legislatures. A model resolution,

drawn up so that state petitions to Congress would be uniform, has received prompt consideration in legislatures throughout the nation. Last month the resolution was passed unanimously by the New Jersey Legislature only one week after it was available—and was recently passed by the Louisiana and West Virginia Legislatures. It also has been passed in one house in other States.

Forensic Outlook Bright At College of Lake County

Dan Johnson, forensics coach at the College of Lake County, indicated that the forensics outlook for the new year appears very bright.

Forensics, the art of argumentation and public debate and discourse, is new to the College of Lake County.

In competition in the New Year Forensic Tournament at Rock Valley College, Rockford, only the second forensics tournament in CLC's history, two students survived the elimination, after three rounds, to compete in the finals.

Chuck Stransky, Third Lake, read poetry by Carl Sandburg and was ranked in the top six of twenty-five contestants in oral interpretation. Armand Ciabattari, Grayslake, read five minutes of radio news and was ranked among the top six of radio newscasters.

Next competition for the College of Lake County forensics team will be in the College of DuPage Tournament, scheduled for Friday and Saturday, Feb. 12 and 13.

As an added attraction, jazz artist, Ramsey Lewis, will entertain participants in the forensics tournament on Friday evening, stated Johnson.

Alcoholism Fund Drive Is Launched

The Lake County Council on Alcoholism will conduct a fund raising drive throughout February. It was announced today by Dr. Raphael M. Adelman, president.

Now in its fifth year, the Council provides consultation and referral service to alcoholics and their families, disseminates educational information regarding the disease of alcoholism, provides films and lecture programs to schools, hospitals, and church groups, and offers a program of early detection to supervisors in industry.

"Many people come to our Council office each month for help," Dr. Adelman said. "Some are individuals who recognize they have a drinking problem. Others are members of a family torn by the tragedy of alcoholism," he added. "In Lake County alone, it is estimated there are over 14,000 alcoholics. Approximately 95% of these people are employed. The cost to industry in absenteeism, tardiness, inefficiency and accidents is staggering," Adelman continued.

"Our Council is supported in part by grants from the State of Illinois and the Lake County Health Department, but if we are to continue to offer and expand our services to badly needed in Lake County, we must have more help," Dr. Adelman said. "In the past, we have raised funds from members, 'people we know' and other groups.

Industry has also helped, but we are hopeful that businessmen in increasing numbers will recognize the need for an alcoholism council in Lake County and offer their assistance."

Estimated Declaration On Tax Due

Persons required to make a declaration of estimated federal income tax for 1971 must file Form 1040-ES and pay at least 25 percent of the estimated tax due by April 15, 1971.

E. P. Trainor, District Director of Internal Revenue for Illinois, said self-employed persons must include their self-employment tax in computing estimated tax.

The estimated tax package, which contains four vouchers and pre-addressed envelopes for use in making the declaration and subsequent installment payments, was sent to those who filed a declaration last year as well as to others who, according to IRS records, may be required to file. The package also contains a worksheet and instructions to compute the estimated tax liability.

Publication 505, "Tax Withholding and Declaration of Estimated Tax," which furnishes detailed information on this subject, can be obtained by sending a post card to your local IRS office.

Parents Thanked For Helping School

On behalf of the Board of Education of the Antioch Elementary Schools and the Administration I wish to thank all those who so willingly offered their assistance in the moving of equipment and materials last Saturday. More than forty men and women were involved in moving the school equipment and furniture to the New Upper Grade Center and from the Methodist Church Annex to the other schools. Even though we could use less than half of all who volunteered their help, from Friday morning until Saturday afternoon at three o'clock all of the furniture, equipment, and materials in thirty-five classrooms had been reshuffled and moved into the proper buildings and rooms. Representative help from all the PTA's furnished coffee and refreshments throughout the morning and lunch at noon.

The volunteers, trucks and labor saved the district close to a thousand dollars, figured conservatively. This is a real tribute to our community and again I want to publicly express gratitude for both the Board of Education and the Administration.

Henry Meyer
Superintendent

Health Assn. To Sponsor Style Show

Antioch Mental Health Association is presenting a Fashion Show on Wednesday, March 3 at Lorenz's Smart Country House at 8 p.m. Day and evening fashions will be presented.

It will be your chance to pick out your unusual outfit for the cotton.

Dessert and coffee will be served.

Tickets will be available at The Thrift Shop or by calling Mrs. Ray Lorenz, 395-1152 or they may be bought at the door.

Tickets also are available at State Bank of Antioch.

Northern Offers Extension Courses

Extension courses are being offered by the Northern Illinois University Extension Service in Waukegan. Any persons desiring further information about the courses, all of which offer three credit hours of graduate or undergraduate credit, should contact the director of extension at Northern as soon as possible for further details about late enrollment in the courses that have openings.

ANTIOCH, ILLINOIS

QUEEN VISITS—Maureen Meland, Waukegan, visits with Jerry Nerheim, left, and Merv Osborn, operators of The Blizzard Shop, Waukegan, who outfitted Gage-wood Lions Club's first snow queen with snowmobile outfit. Miss Meland will reign over second annual snowmobile family fun day on Gages Lake Sunday, February 7.

Lions Club Snowmo Derby Is Sunday

Maureen Meland

The second annual snowmobile derby will be staged Sunday on Gages Lake on Rte. 45.

Sponsored by the Gage-wood Lions Club, the derby headquarters will be the Gages Lake Picnic grove on Gages Lake Road at the intersection of Rte. 45.

Registrations will begin at 9 a.m. Races will start at 11 a.m. All entry blanks must be signed by an adult.

Funds raised through the snowmobile derby will be used in the club's program to help the blind. Reigning over the day's activities will be Miss Maureen Meland, 24, of Waukegan, who was selected as the snow queen.

Events include one-quarter mile

drag races, stake and flag races and broom ball (the latter takes a two-man team). There is no restriction on horsepower or machines and it will be open to any driver more than 12 years old.

But drivers 12 to 16 years of age will be limited to 345 cc maximum, in all events during the day.

Two classes of racing under the United States Snowmobile Association rules—stock and modified—will be presented. Each is split into categories based on the horsepower of the snowmobile.

The queen is a graduate of Kenosha High School and is a talented musician, having played the violin and viola with the school orchestra that toured Wisconsin. She also sang soprano with the chorus group.

Miss Meland of Waukegan is employed at ASC Tabulating Corp., where she is an accounts

Antioch Sophomores Trim Round Lake And Warren

Antioch's Sophomore basketball team won two big games last weekend by beating Round Lake 59-43, and Warren 45-40. The wins leave Antioch in second place with a 7-3 record, one game behind Warren.

At Round Lake the Sequoits jumped out to a quick lead as their man-to-man pressing defense caused the Panthers to turn over the ball. Fred Popp led the rush by scoring 8 points in the quarter. The lead stretched to 20 points at half time as Antioch outscored Round Lake 18-5 in the second quarter.

In the second half the pace slowed down as many fouls and a deliberate offense dropped the scoring. Many substitutions also caused a slow down.

The box score:

	G	FT	TP
Amundsen	2	4	8
Andrews	5	3	13
Chapman	3	2	8
Krieger	1	0	2
Maras	1	0	2
Popp	4	5	13
Schroeder	2	4	8
Toman	1	1	3
Vozquez	0	2	2

four conference games to go, the Sophomores have a great chance to still win the title.

The box score:

	G	FT	TP
Amundsen	0	6	6
Andrews	6	0	12
Chapman	3	2	8
Popp	5	6	16
Schroeder	0	1	1
Toman	0	2	2

Coach Norm Hahn was elated over the big weekend. "I felt the team did a great job in these two games. They hustled constantly and caused the opposing teams to get rattled. Fred Popp was just superb. He gave 110 per cent both nights. Against Round Lake he had ten recoveries and five assists. Charlie Chapman also had five assists. Glen Amundsen and Mark Andrews did the job on the boards and on defense. And all the subs did as they were told. Basically it was great team effort and hustle."

The Antioch Soph B team also posted a double win. They beat Round Lake 66-38 again with good hustle and defense.

Then they went to Gurnee and beat Warren 57-41. The Antioch pressing defense caused frequent turnovers and many easy baskets. The scoring for the Soph B team:

	Against Rnd Lake	Against Warren
Mark Good	10	2
Steve Vozquez	11	16
Mark Maras	10	4
Bill Wozniak	19	15
Gordy Siliannoff	8	10
Shayne Schroeder	8	—
Bill Toman	—	8
Bill Francko	—	2

receivable supervisor. Her fellow workers encouraged her to participate in the queen contest. She won over 18 other contestants.

She was presented with a snowmobile suit by the Blizzard Shop of Waukegan. She was invited by the Blizzard Shop manager, Jerry Nerheim, to be one of the fashion models at the snowmobile derby held over the weekend at Fox Lake.

Emmons Five Takes Lead In Conference

On Wednesday, Jan. 27, Coach Mike Mitchell's Emmons Grade School A team met the Spring Grove cagers in a showdown for first place in the Big Six Conference. The contest started a tough and physical defensive game. Spring Grove held a first period lead of 11-5. The Emmons Raiders closed that lead to 12-11 at the half. The first half was marked by very cold shooting, caused in part by two tenuous defenses.

In the second half, Emmons came out in a full court, zone press. So devastating was the press to Spring Grove that Emmons outscored Spring Grove 37-10 in the half. Emmons completely dominated play in the second half as the Raiders played their finest basketball of the season.

Leading all scorers was Emmons center, Jim January, with 19. Bob Dodd added 12 for the winners. January and Don Mahar led Emmons in rebounds with 16 each. High point man for Spring Grove was Charles Hoffmann with 7.

In the B game Emmons easily downed Spring Grove 23-8. Scott Maras scored 8 for Emmons, while Bill Dubek had 7. High man for Spring Grove was Alexander Stunious.

THE ANTIOCH NEWS—6

Sequoits Take Two, Round Lake & Warren

By the Sixth Man
Antioch stayed on the winning pace by defeating two conference teams, Round Lake 62 to 49 and Warren 81 to 64.

In the Round Lake game I felt we played poorly in the 4th quarter. I attribute the fact of Round Lake's sudden surge, to Kurt Blank who did a fine job offensively from outside. We also didn't adjust to the press that Round Lake put against us. I was surprised that Round Lake did such a nice job on the boards as they maintained a rebounding edge over Antioch 40 to 41.

In the past few weeks I have had the privilege of pointing out a teammate that has done the job for the Antioch basketball team. This time Steve Bentel showed his offensive ability as he scored a career high of 26 points. What makes this statistic more meaningful is that Steve was nursing a knee injury that had prevailed after the Round Lake game. Steve also provided some fine board work as well as his usual great defense.

In Saturday's ball game Antioch exploded for 81 points and a sizzling 64% clip from the field.

Keith Bolton, Tim Mieure and Tom Martin all played a very steady game on offense and defense. Keith again led all scorers with a two game total of 46 points.

Though Warren fans were not happy about the outcome of the game, there was one happy development. It was sophomore Pat McCann who tallied 27 points for the Blue Devils.

Now Antioch remains the top team in the county win-loss record with 16 wins and 5 losses.

Interest Changes On GI Insurance

Interest rate changes on two GI insurance programs were announced last month by the Veterans Administration.

Effective Jan. 11, the interest rate paid by veterans on money borrowed on their government life insurance policies will be five per cent. The old rate of four per cent—in effect more than 24 years—will continue to apply to all loans made before Jan. 11.

The interest VA pays on insurance dividends left to accumulate by veterans holding World War II type National Service Life Insurance policies (with a "V" prefix) was increased from four to 4.25 per cent effective Jan. 1, 1971.

Dividends left with VA for these NSLI policies totaled about \$283,000,000 at the end of 1970, exceeding by \$10,000,000 the amount left with VA at the end of 1969.

The higher interest rate paid by VA results from greater interest earnings in the NSLI trust fund.

About 105,000 policy loans amounting to nearly \$136,000,000 were made to veterans in 1970.

Each year a "Miss Basketball Fan" is selected. This is the eighth year.

MISS BASKETBALL FAN 1970-71

This year nine girls have been nominated for the honor of "Miss Basketball Fan 1970-71".

Those nominated are:

- Cherri Dalgaard
- Sue Dobslaf
- Linda Heller
- Lynn Kanka
- Donna Kessler
- Dee Marocco
- Ronna Andrews
- Gail Kumpfer
- Kathy Wurster.

The winner—A girl that attended all the Freshman games, when she was a Freshman and has attended every basketball game for the last four years, 98 straight games...

MISS BASKETBALL FAN 1971—RONNA ANDREWS

Freshman Matmen Unbeaten In League

For the first time ever at Antioch High School, the 1970 edition of the freshmen wrestling team completed their conference schedule undefeated. With a 38-18 win over Wauconda, the Sequoits brought their conference record to 6-0. The following evening the Sequoits blasted Salem Central 41-9 to run their season record to 9-4.

In the Wauconda match, it took a third period reversal by John Meyer to keep his victor string alive. Up to that point, John had a record of 9 pins, all by pins, and was unscored upon. A second period escape by Eberle of Wauconda is the only point that Meyer has given up this year. The following evening the Antioch team pin leader began a new pin streak against Salem Central with a first period fall.

Leading the Sequoits in team scoring so far this year are: Bill Beese—58, John Meyer—53, Steve Solomon—50; Glen Nixon—40, Travis Braden—36, Dirk Dietz—28, Brad Partlow—26, and Alan Westman—26.

The freshmen wrestlers complete their season Friday, Feb. 5, at Schaumburg High School. The match begins at 6:45 p.m. Wauconda at Antioch Jan. 26: 98 lbs.—Edwards, Ant., and Goy, Wau., drew, 4-4.

105—Boyko, Wau., won a decision over Oelerich, Ant., 8-1.

112—McCelli, Wau., won a decision over Dietz, Ant., 4-2.

119—Sweetman, Ant., pinned Creighton, Wau., 1:07.

126—Westman, Ant., won a decision over Polito, Wau., 3-0.

132—Meyer, Ant., won a decision over Eberle, Wau., 2-1.

138—Partlow, Ant., pinned Vanderwall, Wau., 1:15.

145—Shergold, Wau., pinned Beasley, Ant., 3:30.

155—Braden, Ant., won by forfeit.

167—Beese, Ant., won by forfeit.

185—Solomon, Ant., won by forfeit.

Hwt.—Nixon, Ant., won by forfeit.

Final team score: Antioch 38; Wauconda 13.

Salem Central at Antioch Jan. 27:

98 lbs.—Roberts, Ant., pinned Mibe, S. C., 5:19.

105 —Daniels, S. C., pinned Kumpfer, Ant., 3:12.

112—Dietz, Ant., won a decision over Richter, S. C., 4-1.

119—Sweetman, Ant., won by forfeit from S. C.

126—Meyer, S. S., won a decision over Westman, Ant., 6-4.

132—Weitz, Ant., won by forfeit.

138—Meyer, Ant., pinned Eilitz, S. C., 1:20.

145—Partlow, Ant., won a decision over Glasman, S. C., 10-0.

155—Beasley, Ant., and Halladay, S. C., drew, 2-2.

167—Beese, Ant., pinned Daniels, S. C., 1:49.

185—Solomon, Ant., won a decision over Davies, S. C., 8-0.

Nixon, Ant., won by forfeit.

Final team score: Antioch 41; Salem Central 9.

Compute Tax For More People In '71

E. P. Trainor, District Director of Internal Revenue, Chicago District, announced that IRS can do income tax computations for a greater number of taxpayers than in previous years.

The IRS will compute the retirement income credit if the taxpayer otherwise qualifies to have his tax computed, Mr. Trainor said.

The taxpayer may have his tax computed by IRS if he has no more than \$20,000 income consisting of wages, tips, dividends, interest, pensions and annuities, and does not choose to itemize deductions.

In prior years, IRS computed the income tax only for certain taxpayers with less than \$5,000 income.

Page two of the 1040 instructions explains what information must be shown on the return to have the tax computed. These instructions also explain how the taxpayer indicates he wants IRS to compute the retirement income credit.

Favorable Mortgage Climate Predicted

"In 1971, and especially if present savings trends continue, there should be ample mortgage money for the West Lake County Communities' needs," Mr. Frederick J. Walpole, President, Antioch Savings and Loan Association, said today.

Mr. Walpole predicted the favorable 1971 mortgage climate as he issued the institution's annual report.

He said that in general, 1970 was a good year for Antioch Savings and Loan Association. He pointed out that since last spring, when the Federal Reserve Board moved to an easier money policy, savings flows into the association have improved.

Conservation Offices Relocates

The office of the U. S. Department of Agriculture Soil Conservation Service has relocated its office at the intersection of South Old Rand Road and Rand Road (Route 12).

The new location is about one mile south of the former office site at 71 South Old Rand Road, and the mailing address, P. O. Box 555 and telephone 438-6310 will remain the same, according to Lee H. Bridgman, district conservationist in charge of the office.

The office services the Lake County and the North Cook County Soil and Water Conservation Districts by providing soils information and technical services to property owners, land developers, village, township and county officials, real estate offices, land appraisers, tax officials, and other decision makers interested in the orderly growth of the area and the conservation of our natural resources.

Current programs include presentation of the Lake County Soil Survey Report; making conservation information available to schools, scouts, 4-H, and other groups; arranging for Spring planting of trees and shrubs from the State Forest nurseries; and a Conservation dinner on Feb. 6 at the Farm Bureau in Grayslake. Interested persons are invited to contact the office for assistance.

mortgage interest rates may be some time away although some easing of rates has already been felt. He said that traditionally mortgage interest rates are the last of the long-term interest rates to decline, usually lagging behind long-term corporate rates.

"If you have been thinking about buying a home but are waiting for mortgage interest rates to come down," he declared, "our advice is to buy now. Every year, it seems the increase in building costs more than offsets whatever savings may develop as a consequence of lower interest rates."

Mr. Walpole reported that as of December 31, 1970 savings deposits of the association stood at \$16,425,350.25, while mortgage loans on the books amounted to \$15,244,592.79.

Assets stood at \$18,562,839.99. Savings account holders at Antioch Savings received interest payments during the year which totaled \$908,415.59. \$117,070.36 were added to reserves in 1970, making total stock and reserves \$873,063.89.

Looking ahead to the balance

of 1971, Walpole said, "We feel that it is going to be another good year. Much depends, of course, on public confidence in economic prospects and this, in turn, depends on success in the government's program to battle inflation and recession. We regard progress in curbing inflation as an essential prerequisite to a revival in economic activity."

Slide Story Of College Is Feb. 11

The story of Trinity Junior College of Langley, British Columbia, Canada, will be presented in beautiful colored slides with narration by P. C. Havens, and student music on tape to background colorful views of the campus at the Antioch Evangelical Free Church, Tiffany Road at Highway Drive on Feb. 11, 7:30 p.m.

Rev. Stanley T. Nelson, Director of Public Relations will represent Trinity Junior College at this service. He will answer questions concerning the school.

Deadline Near For Vets Studying Under GI Bill

their G. I. Bill training in high school or college at midterm were reminded today by John B. Naser, VA Regional Office Director, that time is drawing close. He urged that veterans contact or stop by their Veterans Administration office immediately in order to complete necessary papers.

The VA will supply application forms and advise the veteran on whether the school courses he is considering are recognized by the state approving agency and the VA, Naser said.

Attached to the veteran's completed application should be a copy of his military separation papers (DD Form 214) and, if married, his marriage license and birth certificates of any children. Naser pointed out this is necessary so the VA can correctly figure his monthly check.

A married veteran, with one child, for example, is entitled to

\$230 a month for full-time school enrollment in high school or college.

When the veteran submits his VA Certificate of Eligibility to his school, he is advised to make certain the school promptly returns an endorsed copy to the VA so payment can start.

Naser said veterans are entitled to a maximum of 36 months of school if they are on active duty for at least 18 months. For less than 18 months of service, school time is earned at the rate of 1 1/2 months of school for each month of active duty.

Veterans are eligible for G. I. Bill benefits if they had at least 181 days of active duty, any part of it after Jan. 31, 1955, and were released under other than dishonorable conditions.

Naser said enrollment in high school under the G. I. Bill is not charged against further G. I. entitlement.

Business Inventory Is Exempt

Attorney General William J. Scott today issued a far-reaching legal opinion which, for the first time, underscores the broad sweep of the Illinois Property tax exemptions that became effective Jan. 1, 1971.

The opinion, requested by Robert J. Lenhausen, Director of the Illinois Department of Local Government Affairs, specifically covers the sectors of exemption which apply to individuals, businesses, farms, partnerships and corporations.

Attorney General Scott explicated Lenhausen's request so that Supervisors of Assessment throughout the state could order the printing of forms and advise Township Assessors as required by the Revenue Act, prior to the next scheduled assessment date, April 1.

Scott's opinion, in substance, holds that:

1. An individual proprietor is exempt on his business inventory and other personal property used in that business.

2. An individual farmer is exempt from taxation on farm equipment and personal property owned in his capacity as an individual farmer.

3. The personal property of partnerships is exempt on the grounds that "a partnership is an association of two or more persons who carry on a business for profit. The effect of the taxation of partnerships property would be directly upon the individual partners and consequently exempt."

4. The personal property of a decedent's estate is exempt for heirs and legatees as individuals. Scott held, however, that "if the legatee is a corporation then such personal property would be subject to tax."

5. The personal property held by an individual trustee is exempt from taxation "if the beneficiaries or beneficial owners are individuals." The fact that the "trustee" might be a corporation does not alter the exemption, the opinion states, "since the effect of the tax would be directly upon an individual beneficiary."

6. Personal property owned by tenants in common or joint tenants as individuals is exempt.

7. Personal property owned by individuals in a joint venture or other co-ownership are equally exempt since the effect of the tax would be upon individuals.

The new Personal Property Tax exemptions were approved in statewide referendum last Nov. 3, (1970) as an amendment to the old Illinois Constitution of 1870. The vote on the amendment was a side-issue to the General Election.

The new Illinois state charter continues the exemptions by providing that "any ad valorem personal property tax abolished on or before the effective date of this Constitution shall not be reinstated." (Article IX, Revenue).

PROBING THE UNKNOWN
Fortune-telling is a universal and highly respected art. The ancient Greeks left their oracle reading to qualified high priests. The gypsy's fortune-telling powers come and go with silver of the lack of it, but many a disbeliever has returned from a session with awed respect and the inevitable "How could she have known...?" Chinese fortune-tellers, unlike the gypsies, insist on knowing a little of the person's background: his year, month and date of birth, down to the exact time of the day, whether morning, noon or night. And perhaps because of the very strong and unbreakable belief of the Chinese people in their fortune tellers, many a fortune has been made or lost depending on how closely they had followed the advice given.

Many people, despite their scientifically-oriented minds, still covertly deal a quick hand of cards to see if what faces them in the future are more diamonds (money), hearts (love), or spades (business success). And woe betide them if club (trouble) emerges!

Belief in fortune-telling can go to the extremes. There is a girl who refuses to go out on dates if her cards showed black. Now if she had relied on her personality appeal and a little clever maneuvering her cards might turn up all hearts. Another girl scoffs at fortune-telling, claiming that you can't tell whether your future is really written in the stars or whether you have been subconsciously led to do things. That is as it may be. But it is always gratifying to know what tomorrow will bring, isn't it?

Legal Notice
